## Event Summary – Dangerous Wind Chills

- ✓ Confidence is **HIGH** that this event will occur and **HIGH** on expected impacts
- ✓ Period of greatest impact: Through tonight

Gusty winds though this evening may lead to areas of blowing and drifting snow resulting in reduced visibilities and snow covered roadways.

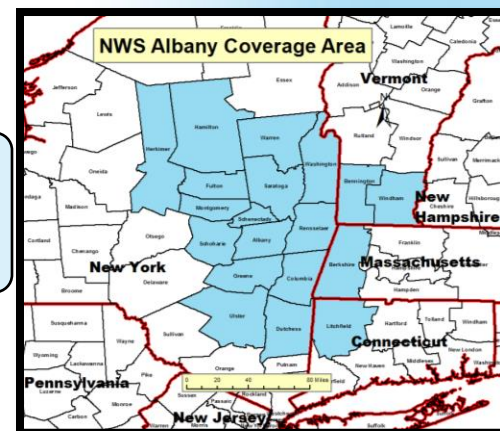

Life-threatening wind chills expected through tonight which will result in increased risk of hypothermia and frostbite. Wind chill advisories and warnings are extended through 7 AM Tuesday.
