Event Summary

Excessive Heat Watch has been issued

Hot temperatures combined with high humidity levels are expected to create dangerous heat conditions Friday, Saturday & Sunday with the most oppressive conditions expected Saturday. Early morning low temperatures in the 70s will not provide much cooling.

During **Extreme Heat**

weather.gov/heat

Find air conditioning.

Avoid strenuous activities.

Wear light clothing.

Check on family members and neighbors.

Drink plenty of water.

Watch for heat cramps - exhaustion - stroke.

Never leave people or pets in a closed car.

Dangerous Heat Conditions
