

Snow Forecast
Valid: Monday through Tuesday

- ✓ A slow developing storm system will bring a mix of precipitation to the area Monday into Tuesday
- ✓ Snow with a possible a wintry mix can be expected north of I-90 Monday into Tuesday, with up to several inches of snow possible in the southern Adirondacks and southern Green Mountains
- ✓ South of I-90 accumulations of snow and/or ice will be likely be lighter, but falling temperatures with wintry precipitation could cause hazardous travel conditions for the Tuesday morning commute
- ✓ A Winter Weather Advisory will likely eventually be needed for much of the area
