Event Summary

Moderate to Heavy Snow is potentially expected Sunday through Monday with a period of mix Sunday night south of Albany, as a Winter Storm Watch is in effect 7 am Sunday to 7 pm Monday....

- ✓ Confidence is **MODERATE** that this event will occur and **MODERATE** on expected impacts
- ✓ Period of greatest impact: Sunday through Monday
- ✓ Hazardous Travel Expected Sunday through Monday with both commutes impacted

Light to moderate snow Sunday and Sunday night. Snow becomes moderate to heavy Monday, ending Monday night. 9 or more inches is possible across all of eastern NY and western New England

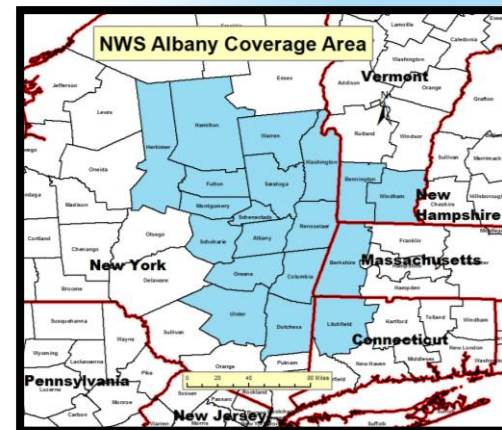

Light accumulations of sleet possibly mixes with the snow Sunday night in the mid Hudson Valley and northwestern Connecticut. There is also a threat for ice accumulations up to a tenth of an inch in Dutchess, Ulster, and Litchfield Counties.
