Threat Event Summary

- ✓ **Confidence/Uncertainty:** High confidence. The rain/snow line will move north to the U.S.44 corridor...roughly Providence to Plymouth.

- ✓ **What/Where:** Snow with accumulations of 6 to 12 inches across much of the region. Rain south of a line from the South Coast-Cape Cod Canal-Eastham MA moves north slightly this morning. Heaviest snow over interior RI and central/eastern MA.

- ✓ **Impacts:** Heavy, wet snow will cause fallen tree limbs and resulting power outages, especially southeast of Boston to Hartford. Roads will be snow covered and slippery.

- ✓ **When:** Heavy Snow ends this morning 6-7 AM west, 7-8 AM east. Snow ends 7-10 AM west, 9-11 AM central and east.
