

- Coastal low pressure may bring accumulating snow to Southern New England Sunday, ending Sunday night.
- While amounts are still subject to adjustment, highest confidence in accumulations near or over 6 inches is central and southern RI into southeast MA and Cape Cod/Islands.

Expected Snowfall - Official MWS Forecast
Valid: 02/07/2021 07:00 AM - 02/08/2021 01:00 AM EST
