

# Strong Storms and Flooding Possible

Boston/Norton, MA

WEATHER FORECAST OFFICE

## OVERVIEW:

- Flash Flood Watches in effect from this afternoon into Sunday morning. Showers and thunderstorms expected again today into Sunday.

<b>TIMING</b>	▪ This afternoon into Sunday morning	
<b>HAZARDS &amp; IMPACTS</b>	▪ Stronger thunderstorms could produce downpours, which could lead to localized flooding. Isolated wind damage also possible from stronger thunderstorms.	
<b>NWS ALERTS</b>	▪ Flash Flood Watches in effect from this afternoon into Sunday morning across central and western MA, and northern CT.	
<b>FORECAST CHALLENGES</b>	▪ Exact location and amounts of heavy rainfall	
<b>ADDITIONAL INFORMATION</b>	▪ There is also a marginal risk for severe thunderstorms across the western half of southern New England. Greatest risk expected to be farther southwest.	
<b>POST-EVENT OUTLOOK</b>	▪ Unsettled pattern continues through most of next week, with at least a chance of showers and thunderstorms most days.	
<b>NEXT BRIEFING</b>	▪ This will be the last briefing
