

# Light Wintry Mix This Evening

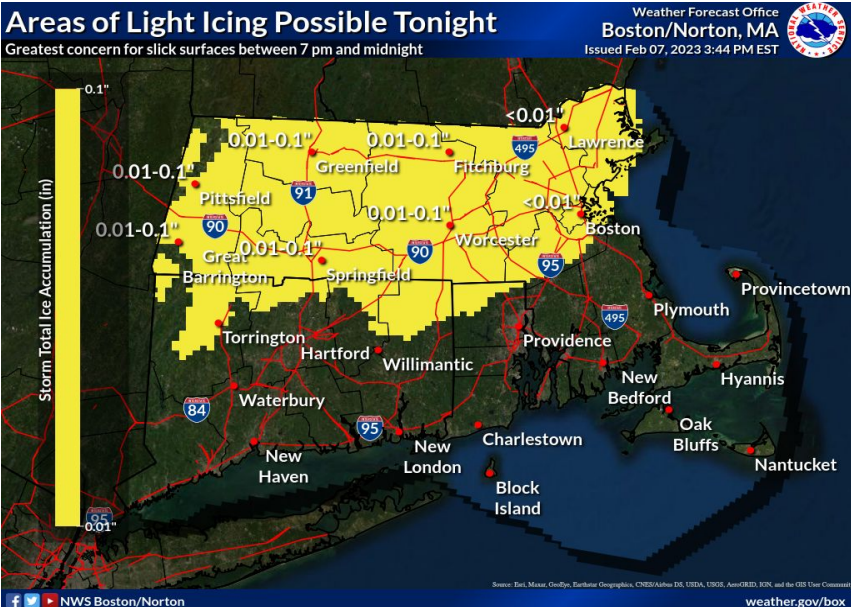

Boston/Norton, MA

WEATHER FORECAST OFFICE

## OVERVIEW:

- A brief mixture of light snow, sleet and freezing rain this evening.
- A light glaze of ice with less than an inch of snow/sleet expected.
- Greatest concern near and north of the CT/RI border.

<b>TIMING</b>	▪ 7 PM this evening through midnight.	
<b>HAZARDS &amp; IMPACTS</b>	▪ Untreated roadways may become slippery.	
<b>NWS ALERTS</b>	▪ Winter Weather Advisory for western, central and portions of eastern MA, including Boston and southwest suburbs.	
<b>FORECAST CHALLENGES</b>	▪ The extent of any icing across eastern MA as temperatures will be close to freezing. ▪ Does light icing extend south into CT and northern RI?	
<b>ADDITIONAL INFORMATION</b>	▪ Any snow/ice amounts will be quite light, but it only takes a small amount of ice to result in slippery travel.	
<b>POST-EVENT OUTLOOK</b>	▪ Any light wintry mix will end close to midnight. Dry weather is expected Wednesday with highs well into the 40s.
