

Snow Event Tonight through Monday Morning

National Weather Service
Decision Support Briefing # 4
Sunday, March 3, 2019 3:53 AM

What Has Changed?

- ✓ Winter Storm Warning now in effect for most of Southern New England.
- ✓ Winter Weather Advisory now in effect for Northwest MA and Cape Cod.
- ✓ Gale Watch in effect for Southeast Waters for Monday.

Main Points

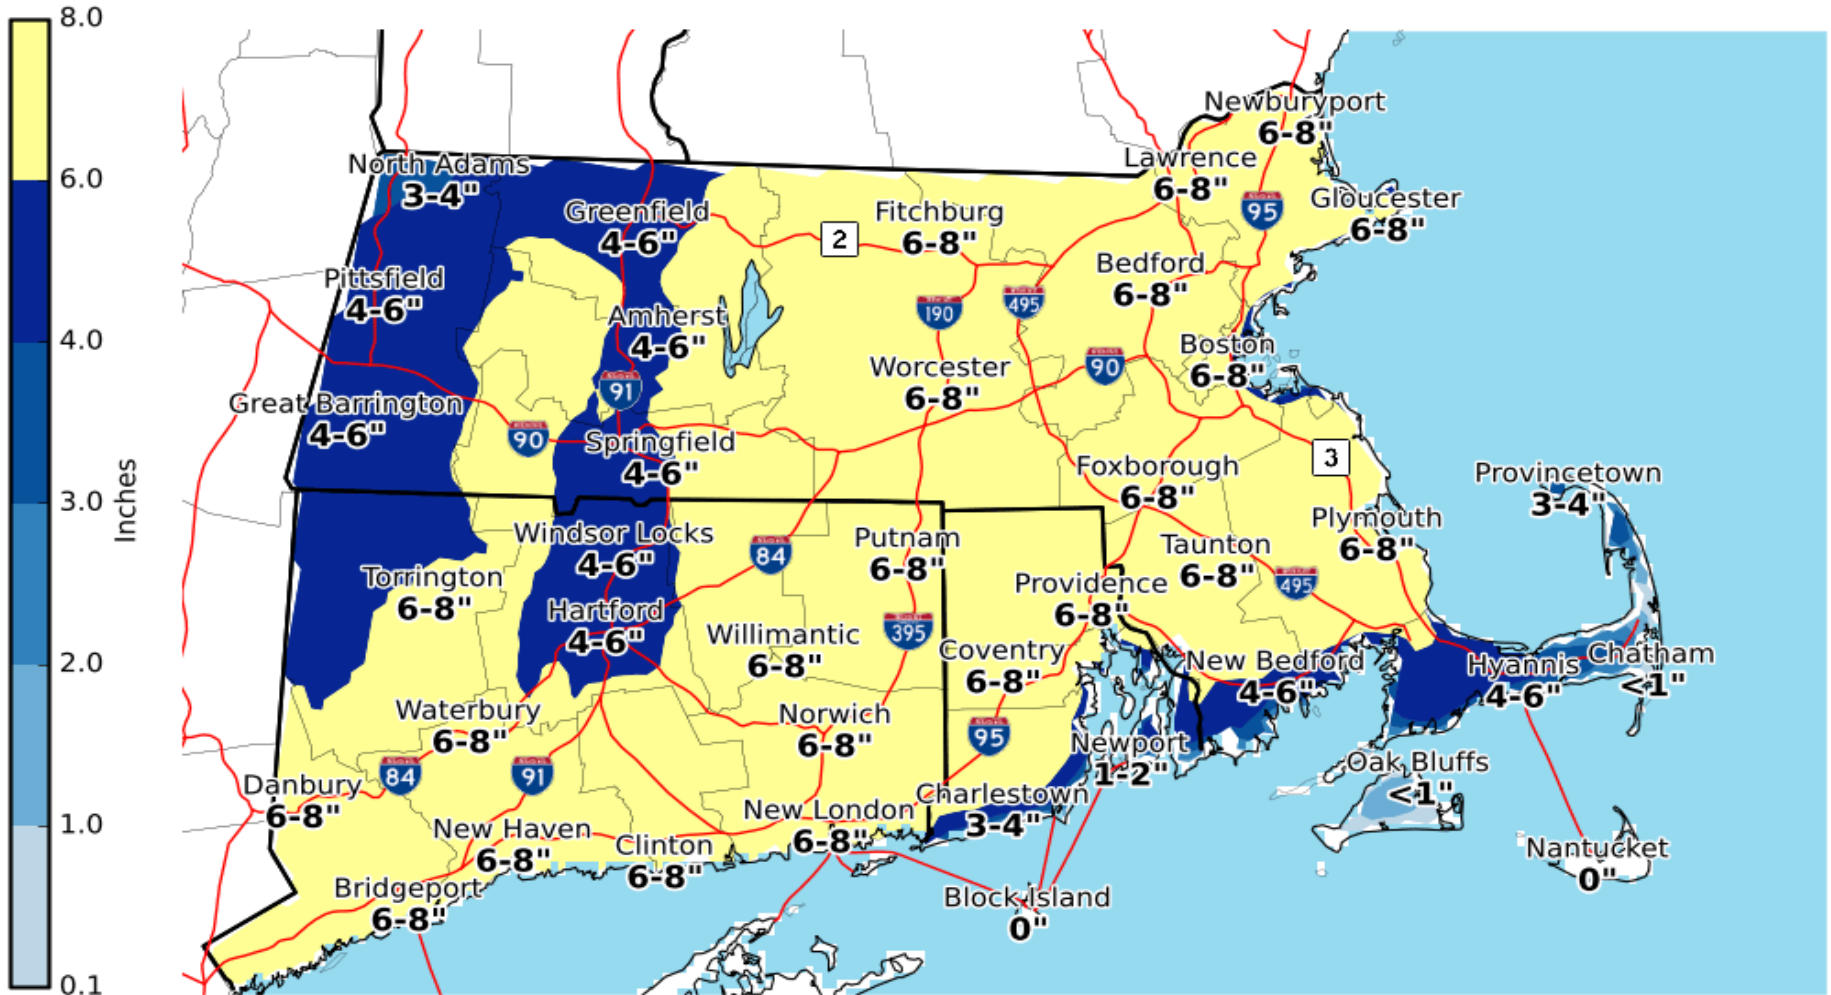

Hazard	Impacts	Location	Timing
Heavy Snow 	Heavy snow. Isolated power outages possible.	Heaviest snow mostly likely across RI and central/eastern MA. Limited power outage threat southeast MA and RI.	Heaviest snow from 10 PM Sunday to 6 AM Monday

Summary of Greatest Impacts

Forecast Storm Total Snowfall

Expected Snowfall - Official NWS Forecast Valid: Tonight into Monday Morning

Threat Event Summary

- ✓ **Confidence/Uncertainty**: High confidence in a plowable snowfall. The greatest uncertainty is where the band of highest snow totals will set up, as well as how far north into southeast MA/RI the rain/snow line will reach.

- ✓ **What:**

Snow with accumulations of 6 to 10 inches across much of the region. Snow changes to rain across Cape Cod and the islands.

- ✓ **Where:** Snow across all of southern New England. Snow changing to rain on Cape Cod and the islands. Heaviest snow most likely over interior RI and central/eastern MA.

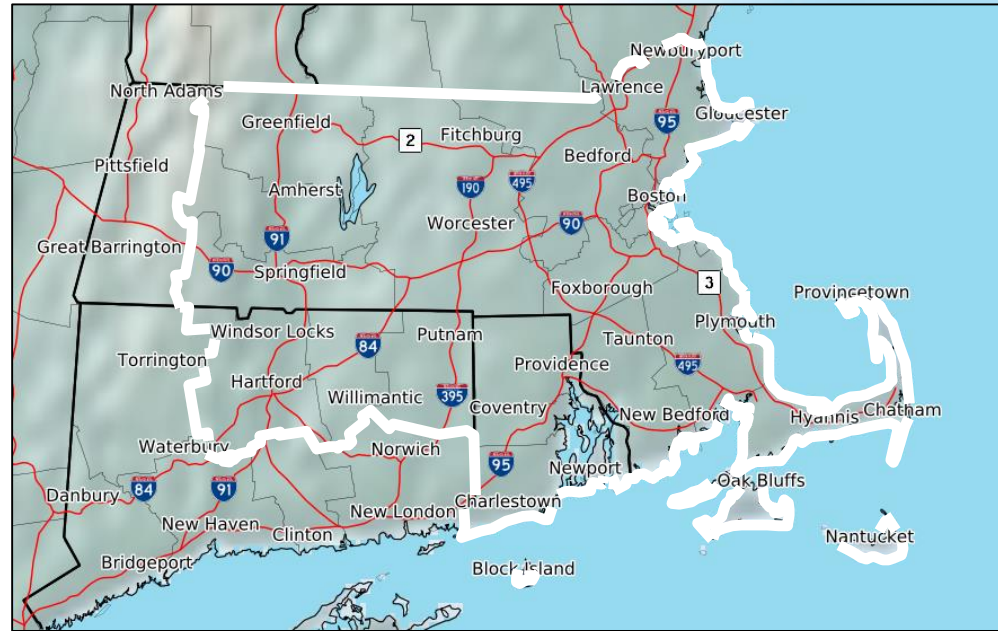

- ✓ **When:** Beginning between 6-8 PM west and 8-10 PM east. Ending Monday morning 4-6 AM west and south, 6-8 AM northeast. Heaviest snow generally 10 PM Sun to 6 AM Mon
